## This Month, Get and Gift Younger-Looking Skin

Give your skin the daily care it deserves with this intelligent collection of Neora's best-selling products, which work synergistically to cleanse, correct and protect your skin. This comprehensive set includes our refreshing Age IQ™ Double-Cleansing Face Wash, our transformative Age IQ™ Night and Day Creams, and our brilliant IllumaBoost® Brightening & Shield - all at a savings of 45% off the retail price.\*

### Cleanse

To take full advantage of the key ingredients in your skincare products, you must first start with clean skin. You need a face wash that effectively removes dirt and makeup without harming or drying out your complexion.

**Age IQ Double-Cleansing Face Wash** goes on dry skin as an oil to melt makeup and grime, then transforms to a light, milky foam with the addition of water. The cleanser helps remove the effects of air pollution on the skin's surface and has a pH that works in harmony with the skin. Key ingredients include niacinamide for skin tone and our proprietary Sea3C™ blend, a combination of sea whip extract, betula platyphylla japonica juice and raffinose known to moisturize the skin.

NEORA™ N

The Face Wash's coconut-derived surfactants are gentle, yet effective, providing a deep-down clean that helps to properly prepare your face for the transformative products that follow. In an independently conducted consumer study, 96% of participants reported that the Face Wash effectively cleanses skin, while 95% reported that it leaves skin feeling smooth.

### Correct

The best time to fight aging is at night when your skin is in its rest-and-repair cycle. Our **Age IQ Night Cream** addresses the signs of aging (wrinkles, discoloration, enlarged pores, sagging skin) as well as the causes (urban stressors, oxidation) by combining many of the world's most sought-after natural ingredients with exclusive scientific discoveries.

These innovations include our proprietary TC3-Armor™ blend, which helps remove urban stressors accumulated during the day and helps shield your skin against environmental impurities. Our patented SIG-1273® molecule acts as an antioxidant and skin protectant, while our exclusive SAL-14® botanical blend helps address the appearance of discoloration and other signs of aging.

Age IQ Night Cream's mask-like consistency

helps lock in the ingredients and serves as a barrier against lines and wrinkles caused by sheets and pillowcases. In independently conducted clinical trials, 100% of Night Cream users had significantly smoother skin texture, while 97% of participants had significantly healthier-looking skin.

After a night of restful sleep, you'll want to keep the age-fighting going. After cleansing with the Face Wash, apply our **Age IQ Day Cream**, which revitalizes your skin using many of the beneficial ingredients as the Night Cream (SIG-1273, SAL-14), in a sheer, moisturizing formula that's perfect for daytime use.

The Day Cream gently adheres to your skin, leaving no noticeable residue. 94% of Day Cream users in independently conducted clinical trials showed a reduction in the appearance of fine lines on the face. 88% showed improvement in moisturization and overall brightness of their complexion. You can see several transformations for yourself at [90DayChallenge.com](http://90DayChallenge.com), where Brand Partners and customers submit their before and after photos for an opportunity to win up to \$3,000 in cash prizes.

## Brightened & Shield

This brilliant booster amplifies your skincare regimen by adding ingredients to your existing products that help brighten, hydrate and guard against environmental stressors. Simply mix a couple of pumps with your Night or Day Cream, foundation or sunscreen for a quick boost of skin-benefiting ingredients.

What it does:

- Work to brighten the skin's appearance and help even skin tone
- Help shield the skin from environmental stressors
- Help plump and moisturize the skin
- Fight the appearance of discoloration, uneven skin tone and skin damage caused by air pollution
- Can be mixed with: Age-Defying Night and Day Creams, foundation or sunscreen
- Are ideal for all skin types (dermatologist tested)
