

Welcome to my May Newsletter!

Hello everyone!

On this gorgeous day of May, I read a beautiful poem and thought I'd share a part with you and encourage everyone to always look at the bright side of everything.

In health and happiness,

Deborah xo

Extract from A Blessing for Beauty, by John O'Donohue

May the beauty of your life become more visible to you, that you may glimpse your wild divinity.

May the wonders of the earth call you forth from all your small, secret prisons and set your feet free in the pastures of possibilities.

May the light of dawn anoint your eyes that you may behold what a miracle a day is.

May you allow no dark hand to quench the candle of hope in your heart. May you discover a new generosity towards yourself, and encourage yourself to engage your life as a great adventure.

May the outside voices of fear and despair find no echo in you.

May you always trust the urgency and wisdom of your own spirit.

And when love finds the path to your door may you open like the earth to the dawn, and trust your every hidden color towards its nourishment of light.
